# WHAT IS AMARE X?

Our Products Your Way!

1

## WE PAY YOU!

We respect you and the platform you've built. You can earn up to 38% commissions based on volume in sales. We have the highest compensation rate in the social selling market.

2

## INCENTIVES & EXPERIENCES

We want to help you live a lifestyle of mental wellness. This includes free travel, fun escapes, and priceless experiences.

3

## DO IT YOUR WAY!

We figure if we do what we do best – create the best products in the mental wellness market – and you do what you do best with your audience – we'll have the best result.

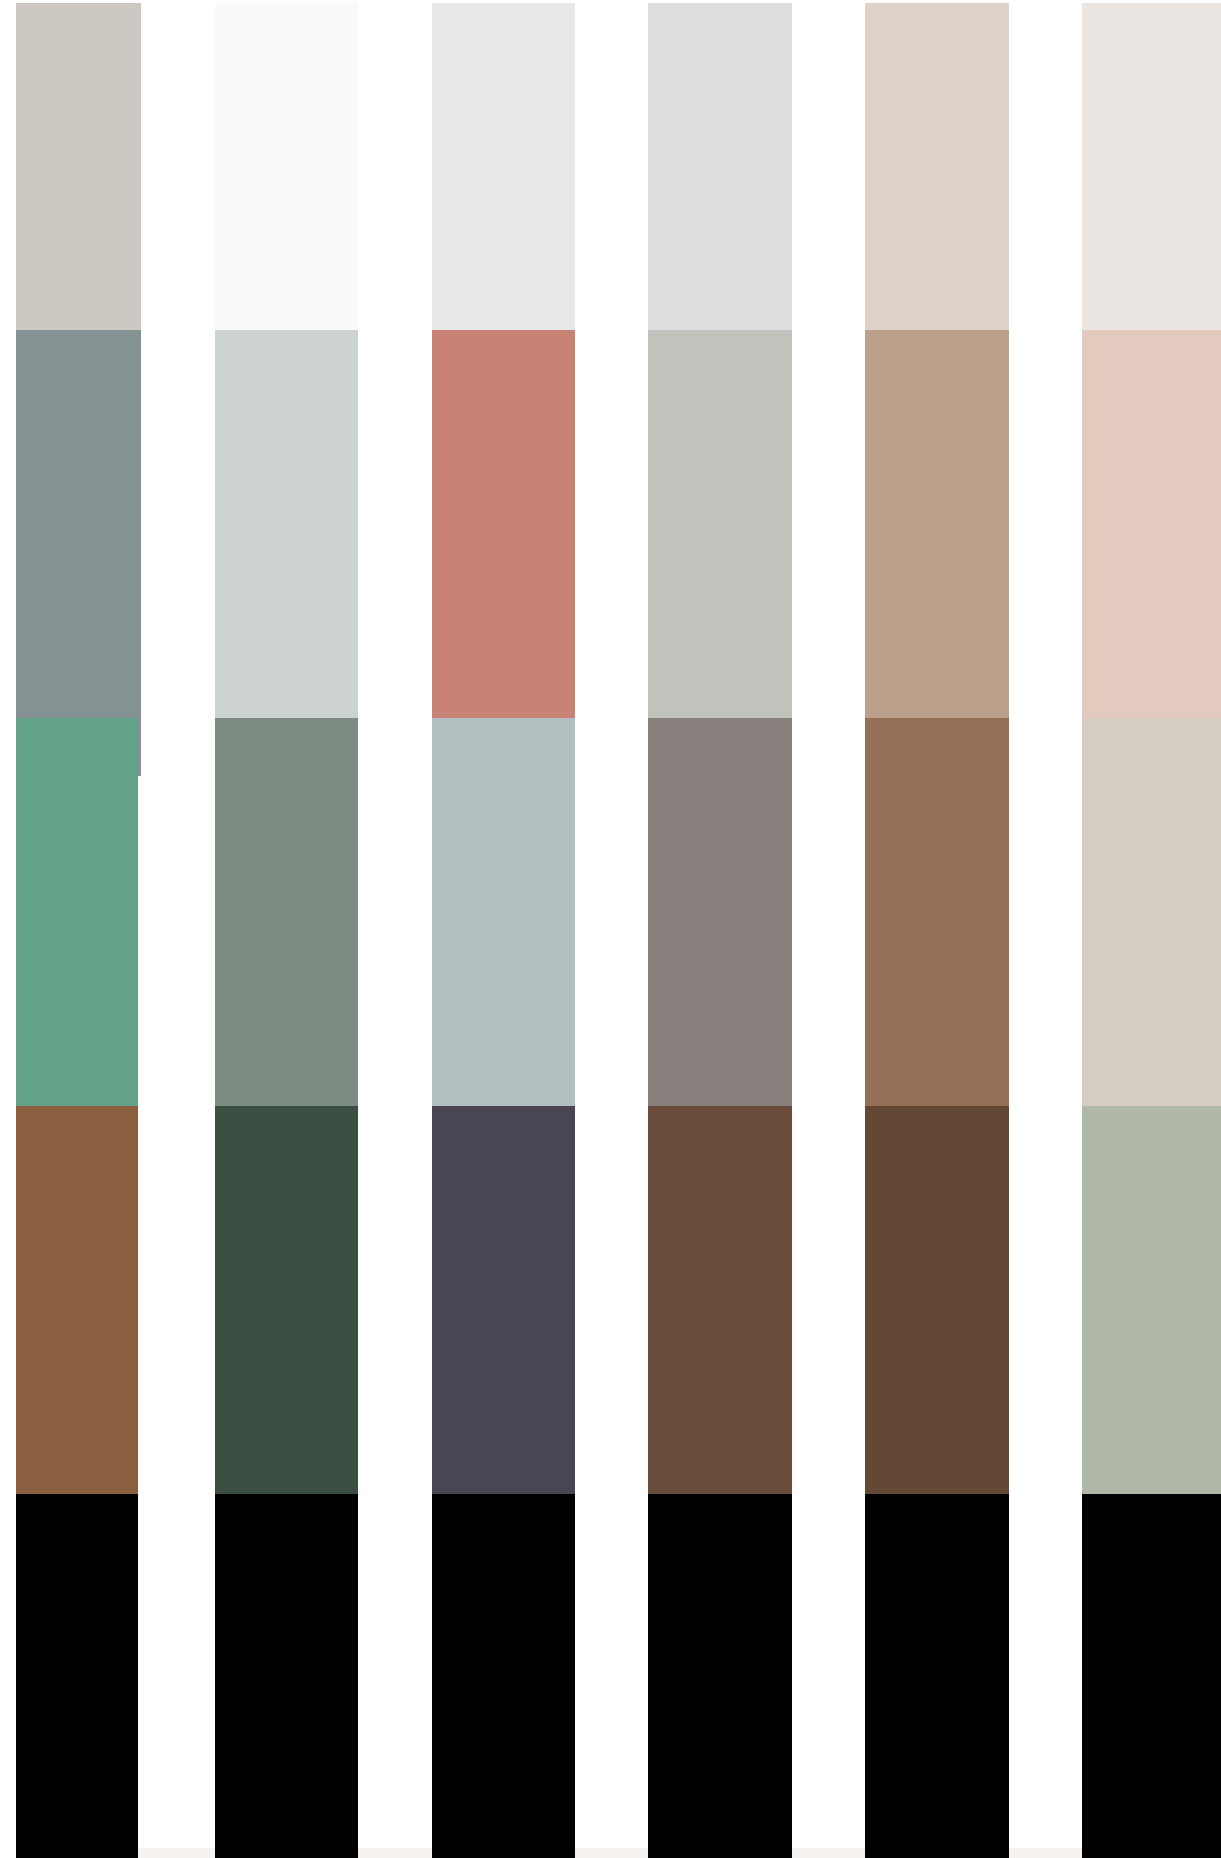

# PARTNERSHIP

AMARE • AMARE • AMARE • AMARE • AMARE

- We want to make this as simple as possible for you and your audience.
- We create a landing page that is branded to your audience showcasing your personal products.
- You can choose a personalized aesthetic that goes with your individual brand.
- Choose personal logo, font, and color scheme.
- And you have access to a private drive to pull content and resources that are branded by Amare X.

## Interview with Dr. Shawn

### How I Got (Gut) Healthy

I could try to explain the science behind your mental wellness, but we'd both be confused. So instead, check out this short interview I did with Dr. Shawn Talbott (Amare's Chief Science Officer and Product Formulator) just for you! He explains the science behind your gut-brain axis, what each product specifically does, and how quickly you should expect to see results!

## Branded Design & Logo

## Daily Routines

### Start your mental wellness journey from the inside out with me!

If you've been following me for sometime, you know that I consider it wholly important to talk about the holistic connection between nutrition and mental health.

When you think about the gut-brain connection, what you put in your body makes up the building blocks of your brain chemistry.

## Your Personal Amare Story

### My Story

At 18, I was diagnosed with anxiety and depression. I was told to take medication, but I didn't want to. I started researching natural remedies and found Amare. I started taking Amare and within a few weeks, I noticed a significant improvement in my mental health. I was able to manage my anxiety and depression naturally. I wanted to share my story with you because I know how hard it is to find natural remedies that actually work. Amare is the answer. It's time to start your mental wellness journey from the inside out with me!
